# ATLAS PRO 2000 Hoist

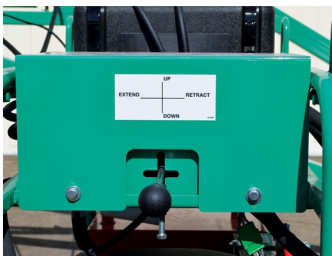

- New Engineered Design
- Maximum Performance
- Quick setup
- Flexibility
- Improved Efficiency

Transport Wheels

Easy Pin Assembly of Sections

Control Station

**ENGINEERED DESIGN:** Lift more weight faster and safer with the Atlas Pro hoist's new simplified design. Standard Anti-Two-Block for lifting safety and rated for 2000 lbs capacity.

**PERFORMANCE:** Move material up and down smoothly and get crews started more quickly with a line speed of 160 FPM.

**FAST SETUP:** Get working faster with Atlas Pro. Less components and major sections pin together for speed and simplicity.

**FLEXIBILITY:** Swing left or right and choose from many accessories available such as hoist hooks, gravel buckets or trash trays to complete your roofing job.

**INCREASED EFFICIENCY:** Experience improved efficiency with the self contained hydraulic power unit with quick connects.
