PLASTIC WELDING

NEW!

ELECTRON ST

**Strong, compact
and handy**

www.leister.com

We know how.

ELECTRON ST – Strong, compact and handy

The new ELECTRON ST is a real powerhouse among Leister's hand tools. The appearance of this tool has been modeled after the new TRIAC range. For the user, this means improved ergonomics and, as a result, the ability to work in more comfort. Existing ELECTRON nozzles fit the new model.

Product advantages

1		Powerful: Suitable for any application thanks to its outstanding power rating of up to 3400 W.
2		Perfectly ergonomical: 3.5 ounces lighter and with a 2 component handle that's nearly 1/2 inch slimmer than its predecessor.
3		Infinitely adjustable: Easy air temperature adjustment up to 1202°F.

4		Clean: Air filters, located on either side, can be removed and cleaned in no time at all.
5		Compatible: All predecessor nozzles fit the ELECTRON ST.

Shrinking cable connections is just one of many applications for which the ELECTRON ST can be used.

Hot-air hand tool

ELECTRON ST

- Suitable for all jobsites
- Leister's most powerful hand tool
- Easy-clean air filter
- Carbon brush stop and heating element protection provide automatic protective measures
- Sturdy tool case supplied
- Swiss made
